RUN
10
MILE

5 YEARS // 5 MILLION MEALS

PRESENTED BY

SAN FRANCISCO

Runner waves will depart every 2 minutes, starting from the West Bluff Parking Lot on Marine Drive heading towards the Battery East Trail via Long Avenue. Runners continue along the Battery East Trail, towards the foot of the western portion of the Golden Gate Bridge.

Runners merge onto and then run across the bridge, turning around at the Dillingham Lot and heading back to the Battery East Trail where runners continue down Long Avenue and through Marine Drive, merging into the south portion of Crissy Field. Runners then head east along Crissy Field, turning along the eastern crescent and entering onto the diagonal path which leads them to the finish line and post-race festival.
